**RE: OPW CleanEnergy Fueling Products Affirms Canadian Registration & 3<sup>rd</sup> Party Approval**

**HAMILTON, OH – April 2015** – OPW, a Dover Company [NYSE: DOV] and the global leader in Clean Energy and Alternative Fuel solutions, recently launched the **FLB series of breakaways** to provide your sites with a higher flow, lower cost breakaway solution. We are proud to confirm that this new FLB series of breakaways maintains the highest OPW quality of product design and has achieved 3<sup>rd</sup> party approval to all relevant NGV and ISO standards. In addition, we maintain approvals and Canadian Registration Numbers (CRN's), so that our Customers are assured of compliance when they choose OPW CleanEnergy Fueling Products.
